

YEAR 6 TRANSITION

Dear parents and carers

A very warm welcome to our school and we all hope you have pleasant, enjoyable and informative evening. Parents and carers are key partners in the development of The Voyager School and at all times we wish to engage with them in a positive way. Parents are central to the achievement of their respective children at school and we aim to support them as much as we can.

From September 2008 a number of opportunities will arise for you to get involved with the life of the school. You can become involved from a consultative point of view or take advantage of the support we offer at all times during the day or in the evenings.

We look forward to working with you from September 2008 but don't hesitate to ask for support earlier if you need it.

Best wishes for your future

Rhod Campbell
Associate Deputy Head Teacher

We are here for you at any time and we can provide a range of opportunities for you including:
